

EYFS Curriculum Overview – 2026/2027 (Year B)

Our combined Nursery and Reception provision follows a two year rolling programme, underpinned by the EYFS statutory framework and supported by non-statutory guidance. Curriculum content is structured around half termly overarching topics, delivered in a developmentally appropriate way to ensure progression across the seven areas of learning. Children's interests are incorporated accordingly, and our Reception curriculum is designed to ensure a smooth transition into the Year 1 national curriculum.

EYFS	To deliver Phonics, we use the DfE validated scheme, 'Twinkl Phonics'. To support the delivery of our Literacy curriculum we use, 'EYFS Essentials Writing'. To support the delivery of our Maths curriculum, Nursery use: Essential Foundations for Counting and Reception use: Essentials Maths.
